

You work hard all your life, prepare for the future, and do everything to ensure a good and comfortable life for yourself and for your loved ones.

In order that you can return to your routine life, free of worry, and not endanger the financial future and well-being of those most dear to you, you are left with no choice but to invest a little extra effort—and to properly organize all your affairs. That is the intention of this book.

**The book will be of help on many topics:**

- Organization of your personal and financial information, along with guidelines to leave behind for your loved ones.
- Proper personal and financial conduct.
- Clarification of your preferences regarding important life issues.
- A detailed explanation of the differences between insurance policies, savings plans, provident and retirement funds, types of securities, and numerous other terms.
- An accurate understanding of important concepts—a will and inheritance—and their significance for you.
- Familiarity with funeral, burial and mourning customs and the arrangements to be made for them.
- Commemoration and memorial planning.

The book was written after extensive research, and offers answers to almost every present and future problem, and includes approximately 100 simple forms to fill out that will help you organize your life.

By properly conducting yourself today, you will ensure your future as well the future of your loved ones; you will save time, unnecessary expense, hassle and grief; and you will attain peace of mind for the rest of your life.

**Avichai Schmidt**, mainly the author of thrillers, logically and systematically deals with a unique subject. He clearly and simply outlines the proper way to prepare for a fact of life for which no one before him has dared to prepare you.

**Avichai Schmidt** was a senior staff member of Israel Television's Channel One (IBA) for many years. *Don't Dare Die Unprepared* is his third book.

The book has earned rave reviews, and has generated great interest and extensive media coverage.

An important, one of a kind book that should be in every home!
